WARNING
MASON / INSTALLER

To protect from masonry residue, using “3M Scotch Blue tape that states that it is specifically for delicate painted surfaces under 24 hrs old and is good for up to 60 days removal. It is also labeled as Low-medium adhesion. It is wrapped in an orange wrapper and plastic.” Acid washes on rock will damage finish. If installing within 1 week of receiving from Ironhaus the finish may need extra time to cure. Call Ironhaus for details.

USE NECESSARY PRECAUTIONS.
Heavy Duty Mantel Install Instructions Only

This application is intended for new construction applications, where there will be rock or some other thicker facia applied around the mantel.

1. Before applying rock facia determine location for mantel and assure mounting plates match up to a structurally stable support system. (CMU, Framing, etc.).
2. Predrill holes in mounting plates that correspond to existing structural supports.
3. Support mantel in place using scaffolding, blocking, etc. and using a level on the top plate of mantel secure mantel to structural supports using approved structural fasteners. 3/8” X 4” lags into 4” wood supports for example or 3/8” “red heads” into CMU.
4. Wrap Mantel with protective plastic before applying facia to wall.

Light Duty Mantel Install Instructions Only

This application is intended for installation to an existing flat finished surface.

1. Locate desired location go mantel.
2. Using a level, stud finder and screw gun, attach installation flange to structural supports. You may need to predrill holes.
3. Mantel will slip over the installation flange and drop down. Be careful to drop mantel securely on to installation flange.
Heavy Duty or Light Duty Mantel Install Instructions

This application is intended for installation to an existing flat finished surface.

1. Locate desired location go mantel.

2. Using a stud finder locate studs at desired height.

3. Open the front door panel and measuring the hole pattern on the wall transpose with a marker the locations inside and on the back plate for pre drilling holes. Pre drill the holes.

4. Support mantel in place using two helpers and with front face open, screw in engineer approved screw through pre drilled holes into studs. Use a level to maintain consistency. Sufficient size & weight mantels may require larger screws. There should be at least three screws attaching mantel.

CAUTION

- Chemicals or other harsh materials will corrode the finish on your mantel.

- Mantels must be secured with engineer approved methods. Serious injury or damage could occur if mantels are not secured correctly.

- Consult Ironhaus or a contracting / engineering professional if necessary.
Ironhaus Finish and Warranty Information

FINISH COLOR & TEXTURE DISCLAIMER
Due to individual computer monitor limitations, the color samples on your screen may not accurately reflect finish colors and textures. All finishes are handcrafted, resulting in variations from one piece to another, just as in other forms of art. Manufacturer will not accept a return based on custom finish requests. Manufacturer does not recommend outdoor fireplace door applications, and water damage will not be covered. On DV gas faces care should be taken to avoid install option where a Ironhaus screen is closer than 2” as this condition can cause finish failure. To confirm your finish choice, check your finish color and texture selections carefully on the finish selections page or please order finish samples online.

IRONHAUS LIMITED WARRANTY
Important! Please Read This Warranty Before Installing or Using Ironhaus Products!

Ironhaus products i.e., furnishings (not glass, finish, mesh parts and accessories sold separate from) are warranted to retail purchaser-user to be free from defects on material and workmanship for as long as you own your home (where enclosure was originally installed). Glass carries a 90 day warranty. Finishes are not warranted, except as found faulty upon inspection prior to use.

Because of the nature of Ironhaus finishes, instances of damage due to excessive fires, neglect, misuse or abuse will be the sole discretion of manufactures judgment for remedy. Color finishes, especially custom ordered colors may vary slightly in shade and are not guaranteed to perfectly match or coordinate. Customer/purchaser accepts risk of any slight shade variations that may occur; however, variations deemed significantly varied may be reapplied at manufactures judgment and discretion. Customer/purchaser is responsible for following recommended guidelines of care and maintenance of the product and proper operation of same (see Care and Maintenance Instructions).

All fireplace products are warranted as expressed herein in their original installation only. Products installed improperly or in non-conformance with state and local building codes could nullify the warranties expressed and implied herein. Commercial applications are warranted for 90 days on material and workmanship from date of purchase. Transit damage and results from alterations are not covered by this warranty.

Manufacture disclaims all other warranties, whether expressed or implied, and specifically disclaims the implied warranties of merchantability and fitness for a particular purpose. In no event shall manufacture be liable, to customer/purchaser or user, in warranty, contract, negligence, strict liability or otherwise, for any damages, whether incidental or consequential, which are alleged to be caused by one or more of our products. Therefore, the sole and exclusive remedy against us for breach or warranty breach of contract, nor in negligence or strict liability or otherwise shall be vested only in the retail purchaser-user and shall be limited to refund of the purchase price. Installation and removal charges and related labor costs will not be our liability and are not covered by the stated exclusive remedy. Glass, parts and accessories sold separately are sold “as is”. Limited warranty is specifically offered to the original retail purchaser-user. The distributor or dealer is authorized to pass that warranty on to the retail purchaser, if applicable. However, no other authority is given to make warranties or representations on our behalf, and unauthorized extensions of warranties by our customers/purchasers shall remain the customer’s sole responsibility.

The customer/purchaser is responsible for determining the suitability of our products for customer’s use or resale, or for incorporating them into objects or for applications which the customer designs, assembles, constructs or manufactures. If the need arises, to use this warranty, furnish proof and a detailed report to your dealer.
